BISHOP’S UNIVERSITY
MISSION
In 1843, the founders of Bishop’s University declared their goal “to offer the country a sound and liberal education.” To this day, our university remains focused on this goal, delivering a broad-based education in an intimate learning environment that encourages exploration and discovery.
BISHOP’S UNIVERSITY (1843)
Lennoxville, Quebec  Population: 6,200
550 acre campus

Full-time: 2,341 (undergraduates) 199 (graduates)
Part-time: 218 (undergraduates)
Incoming Exchange: 109 (undergraduate)

85% FT undergraduate
53% out-of-province; 23% international; 4.8% USA; 69 countries
97% of students live on or near campus
19:1 student/faculty ratio
10 Varsity Teams | 3M Teaching Fellow & Three 3M National Students
BISHOP’S UNIVERSITY (1843)

Located in the Eastern Townships; eight ski hills within 2 hours of campus

106 academic programs
21% of graduates immediately pursue graduate and professional programs

Business | Natural Sciences & Mathematics | Social Sciences | Humanities | Education
Notable: Arts Administration, Sports Studies, Neuroscience, Global Governance

Students engaged in research
Applied Psychology, Brewing Sciences, Climate Change, International Studies
BISHOP'S UNIVERSITY (1843)
Impressions

Bilingual nature
English-language liberal arts education in a French-speaking province; approximately 25% of students are Francophones; classes in English but students may write exams and assignments in French

Access to outdoors
8 ski hills located within two hours of campus; 125 km cycling network; great hiking

International perspectives
International students 23%; more than 550 student exchange partners in 32 countries
Comprehensive universities have a significant amount of research activity and a wide range of programs at the undergraduate and graduate level, including professional degrees.

The University of Waterloo goes beyond the classroom, to a place where experience is the teacher.

Beyond problems to solutions that address social, technical and economic needs. Beyond the laboratory, to the research that propels industries, organizations and society.

Waterloo is at the forefront of innovation and is home to transformational research and inspired learning.

#HECA2019RI
Waterloo, Ontario

Population: 500,000 +

1000 acre campus

Science & Business; Life Sciences; Physical Sciences; Aviation; Biotechnology

#HECA2019RI
Co-operative Education: work-integrated learning

• classroom and workplace learning complement and enhance each other
• work experiences are vetted and work is career-related, not just observation
• student progress is monitored by UW staff and job performance is evaluated by employer
  • students receive some form of remuneration

**Waterloo**: 7000+ students on work term each term; every Faculty offers co-op; graduates have up to 2 years paid career-related work experience upon graduation
Canada’s Innovation University, combining:

- Academic strength
- Experience-rich education
- World-changing research
- Strong start-up culture

Canadian comparables: Victoria, York, Guelph, Carleton, Ryerson, Concordia, Simon Fraser, Regina, Brock
• Offer a broad range of undergraduate and graduate-level programs, including PhDs
• Strongly research-focused & offer medical school programs
• Large networks of hospitals, research facilities, etc. associated with each institution

Canadian Examples: University of Toronto, McGill University, UBC, Queen’s University, University of Alberta, Western University

US Examples: University of Michigan, University of Washington, University of California Berkeley

TIP

• Open Houses
• Ontario Universities’ Fair
• Maclean’s Student Life Expo
Applying is easy

Typically collect biographic, financial, academic and extracurricular information

AB, BC and ON have centralized applications

- Pay fees online
- ON charges a fee for service

Institutions in other provinces have proprietary applications
Applications timelines vary by university

Some open applications as early as mid-August

Some close applications in January; others remain open past May

Ontario universities typically close applications by mid-January

Responses normally received by late-May; most aim to respond by mid- to late-April
