

How a HECA Regional Coordinator Helps You?

The Higher Education Consultants Association (HECA) has built a national network of Regional Coordinators designed to help colleges connect with HECA members both on the local and regional level. Each Regional Group functions differently due to geographic locations, however, most groups meet in person. Groups range in size from five to 50+ members depending on location.

1

Connects you
with educational
consultants across the
US and Internationally.

2

Schedules small
group presentations
with educational
consultants to help
you share information
about your college.

3

Helps you get the
word out about any
new programs and
updates to the HECA
membership.
